TOWN WARRANT THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Piermont, in the County of Grafton, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet in Piermont Town Hall, in said Piermont, on Tuesday, the sixth day of March, next, at ten of the clock in the morning, to act upon the following subjects:

1. To choose all necessary Town Officers by non-partisan secret ballot for the year ensuing.

(Polls will be open for 8 hours -10 a.m. to 6 p.m.)

2. To vote upon three proposed amendments to the Town's Zoning Ordinance by secret written ballot.

> (Town Meeting will be recessed during voting hours and reconvened at 8 p.m. the same evening.)

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

4. To raise and appropriate money to maintain highways and

5. To raise and appropriate money for town road aid.

6. To see if the Town will vote to appropriate money received from the State Highway Subsidy to reconstruct the Old Town Road where it passes over the brook between Cedar Grove Cemetery and the Parsonage by replacing the culvert extension, cribbing, fill and blacktopping.

7. To raise and appropriate money for the support of the Fire Department.

- 8. To see if the Town will raise and appropriate money to clean and develop water holes.
- 9. To raise and appropriate money for the Police Department.
- 10. To raise and appropriate money to maintain street lights and blinker.
 - 11. To raise and appropriate money for the Town Dump.
- 12. To raise and appropriate money for the support of the Library.
- 13. To raise and appropriate money for maintenance of the swimming pool.

- 14. To raise and appropriate money for the Planning and Zoning Board.
 - 15. To raise and appropriate money for Legal Expense.
- 16. To raise and appropriate money for maintenance of cemeteries.
- 17. To raise and appropriate money for Memorial Day and choose committee for same.
- 18. To raise and appropriate money for public relief and old age assistance.
 - 19. To raise and appropriate money for Ambulance Service.

 (To be set-off by Revenue Sharing)
- 20. To see if the Town wishes to raise and appropriate money for Home Health Services.

(To be set-off by Revenue Sharing)

21. To see if the Town wishes to raise and appropriate money for the White Mountain Community Services, Inc.

(To be set-off by Revenue Sharing)

22. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amounts indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

Appropriation	Estimated Amount				
Ambulance Service — Annual Fee includes 24 hour despatching service at Hanover, N.H.	\$ 462				
Home Health Service - Annual Fee	462				
Community Service — Mental Health Annual Fee	300				
	\$1,224				

23. To see if the Town will vote to appropriate six thousand seven hundred and nineteen dollars (\$6,719) and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the following priority purposes and in amounts indicated or take any other action hereon:

Appropriation	Amount
Acquisition of land to expand burying capacity of South Lawn Cemetery	\$2,850
Convert back room of Library Building into a space for work on Town Map and defray costs for modification of	
heating plant caused thereby	1,750
Fire Department – Purchase modern communications equipment to link up with 24 hour despatching	
service in Hanover, N.H. Town Swimming Pool — Sanitary measures — Rent and servicing of eco-toilets. Removal of	1,500
present facilities	400
Waste Removal – in tourist seasons	
at Public Accesses to Lakes	219
	\$6,719

24. To raise and appropriate money to the White Mountain Regions Association for its program of sponsoring 4-H activities, advertising, etc., as a part of the cooperative investment by regional towns.

25. To see if the Town will vote to establish a conservation commission under the provisions of R.S.A. 36A, and that the Selectmen shall appoint said commission, to consist of three members, within 30 days of the said annual meeting, and that said Selectmen shall also designate, for the purpose of calling the first commission meeting, a temporary chairman.

26. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit.

27. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

28. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deeds or otherwise.

29. To see if the Town will vote to approve the sale to Robert L. Lutz of the worked out gravel pit on Indian Pond Road in Clay

Hollow. The property is entirely surrounded by land owned by French and Lutz, except for a distance of about 85 yards on Indian Pond Road.

30. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this sixth day of February, in the year of our Lord nineteen hundred and seventy-three.

A true copy of Warrant — Attest:

Martin H. Day James T. Brewer William Putnam Selectmen of Piermont

SELECTMEN'S REPORT

The Selectmen have initiated this report because the Town Warrant and Budget are long this year; containing many articles and items; being complicated, for the first time, by Federal Revenue Sharing.

It is hoped that our report will answer many of the questions which otherwise would be asked at Town Meeting and thus permit adjournment at a reasonable hour in the evening of March 6th.

AMBULANCE SERVICE

Call the following number when an ambulance is needed: 353-4588

The ambulance will be despatched from Hanover, N.H.

FEDERAL REVENUE SHARING

The Federal Government started a program on January 1, 1972 of revenue sharing with the states and municipalities. This will continue until December 31, 1976. Whether or not it will be extended beyond that date depends upon how wisely the money is spent.

Piermont's share for 1972 was \$4,539. The money has already been received and has been deposited as a separate trust fund in a New Hampshire bank savings account at 5% interest, earmarked for the purposes of this fund and in custody of the Town Treasurer. Its expenditure must be accounted for apart from the General Fund. The State Tax Commission has directed that, in 1973, we should plan to receive only 75% of what was paid in 1972; or, a total of \$3,404 to be disbursed in quarterly payments. The combined 1972-1973 receipts should be \$7,943.

A town is forbidden to spend any of this money on the maintenance of schools or for the operating expenses incident to education. Neither should a municipality use a large portion of the fund to directly reduce taxes for, in doig so, it would reduce the amount distributed to that town in following years. This is because the formula applied each year to determine the amount disbursed is based upon population, resident average income, and the tax load. The figures used for population and average resident income, taken from the 1970 census, should remain constant till at least 1975. The only variable in the formula is the tax experience and that affects what a town is paid according to its yearly tax fluctuations.

Further, the Selectmen are of the belief that we should not allow ourselves to become dependent on a subsidy for ordinary town charges. What the Federal Government gives, it can likewise take away. The recent, abrupt cancellation of REAP; so helpful to landowners in this region; is an example in point. Rather, we believe it best to consider Revenue Sharing as found money to be used for necessary items of high priority which we might otherwise not be able to afford.

This is not to say that none of the money will be used for direct tax reduction. On the contrary, \$1,224 is planned to offset money appropriated for ambulance service, home health service, and the mental health community service.

The remaining \$6,719 of the \$7,943 expected to be available from 1972-1973 receipts is planned to be spent and offered in the Town Warrant for the following priority expenditures as defined and authorized by law:

Acquire Land for Cemetery Expansion — South Lawn Cemetery will be sold out in the not distant future. It is prudent at this time, before land values go any higher, to acquire about three acres in back of and adjacent to the present limits of the cemetery. Negotiations have been conducted with the owner and a fair price arrived at. All is in readiness for the acquisition pending approval at Town Meeting.

Expand Space and Heating Plant Capacity in Library Building — In 1972 the N.H. Legislature passed a law that every town in the state must have a tax map by 1980. This seems a long way off but it isn't. Mapping is a slow, time-consuming job. Studies are in progress to determine the best way to go about the task; whether to hire professionals or to try and do it with amateurs. The lowest professional bid thus far calls for an expenditure of \$14,500. The problem, therefore, is apparent but still unresolved.

However, two things are certain: 1. We must comply with the law, and 2. No matter who makes the map nor how it is done, space is needed for drawing tables, files, chart storage, and a permanent index. This space is available with moderate alterations in the back of the library building and heat can be furnished by contributing to a modern heating plant which the library really needs at present. Hence the request for money in this respect.

Fire Protection and Ambulance Service — 24 Hour Coverage Hanover covers Piermont for ambulance service on a 24-hour basis. It is hoped that, by this spring, they can likewise cover our Fire Department's despatching. This takes modern communica-

tion equipment which we do not have and should buy immediately.

Town Swimming Pool — It is essential to bulldoze and bury the present unsanitary toilet facilities at the pool, replacing them with serviced eco-toilets on a rental basis — one for boys and one for girls.

Waste Removal at Public Entrances to Lakes — It has been found necessary to periodically remove trash and garbage from the fishermen's entrances at Tarleton and Armington. But, the money to pay for this has been taken from our Town Dump appropriation. This is a recommendation to bring the cost of such operations into the open and in proper perspective.

HIGHWAY SUBSIDY - FROM STATE OF NEW HAMPSHIRE

The New Hampshire Department of Public Works and Highways has notified Piermont that it will receive a highway subsidy in 1973 amounting to \$4,946.77.

The state, in general, takes the same view of this subsidy as the Federal Government does of its Revenue Sharing Program: that is, the money should be spent for high priority maintenance, construction, and reconstruction over and above routine expenditures.

Accordingly, it is recommended that the subsidy in 1973 be spent in reconstructing the culvert extension, cribbing, fill, and blacktopping at the brook which crosses under the Old Town Road between Cedar Grove Cemetery and the Parsonage. Failure to accomplish this work is to invite a major cave-in before very many more months.

THE BUDGET for 1973

The Selectmen extremely regret having to submit the 1973 budget with an estimated tax rate of \$5.00 which is 15% higher than the 1972 rate of \$4.35. This means that, for every \$100 property tax paid last year, a sum of \$115 will have to be paid in 1973; assuming that no changes have been made to alter the appraised valuation of the property.

The rise in taxes is entirely attributable to the increased costs of education. The Selectmen and the School Board met in a joint effort to whittle down the school budget and were successful to a limited degree. The figure as submitted, therefore, is considered to be the irreducible minimum for 1973.

Property taxes are made up of three factors: 1. County Tax,

- 2. School Tax, and 3. Town Charges. Each will be discussed briefly below:
- 1. County Tax Although the County tax bill has not yet been received, it is assumed that it will be about the same as in the past two years between ten and twelve thousand dollars. Inasmuch as this is expected to be a constant figure, neither raising nor lowering the tax rate, it is eliminated from further examination.
- 2. School Tax The School Budget as submitted for the current Town Report is almost \$120,000 as compared to a budget of less than \$98,000 a year ago. This is an increase of 22½%. It accounts for 75% of the budgeted town expenditures.

The new budget represents an annual average cost per pupil, grades one through twelve, of nearly \$1,200.00. In other words, the cost for twelve years of schooling is approaching the sum of \$15,000.00 per pupil.

Piermont receives negligible outside help for schools. New Hampshire is at the bottom of the list of all fifty states in the amount of aid given to towns for education. Aside from the property taxpayer, the only other receipts come from the School Lunch and Milk Program, the New Hampshire Sweepstakes payout, and the income from the Town's own money held in a School Trust Fund. All combined, these add up to less than 2% of the total school budget. Over 98% of the costs of education, therefore, rests squarely on the shoulders of the property taxpayer.

3. Town Charges — The amount budgeted for Town Charges, less anticipated income from sources other than property taxes, is \$16,405 this year against the comparable figure in 1972 of \$17,370 — for a *decrease* of 5.6%. Obviously, this modest decrease on the small end of the town's expenditures is not sufficient to wipe out the $22\frac{1}{2}$ % increase in the town's major expense category but it does help to bring down the anticipated tax rise to a figure of 15%.

Our earnest hope is that the pupils exposed to the expensive educational processes of today will apply themselves diligently to their studies and thus fit themselves for a useful, happy life in years to come. If this wish comes true, the money it costs will have been wisely spent.

Piermont Public Library

TOWN PLANNING BOARD

Three amendments to the Piermont Zoning Ordinance will be presented to the voters of the town on March 6, 1973.

Opportunity to vote for them will be by printed ballot at the same time votes are cast for town officers.

Each amendment will be voted upon separately by marking either yes or no alongside the question: "Are you in favor of the adoption of Amendment Number 1 (or 2, or 3) as proposed by the planning board?". A topical description of the substance of the amendment will appear under each question.

The first amendment is proposed so that the town can avoid excessive expenditures of public funds for transportation, schools, and fire department services to an isolated part of town where lots are being sold by a developer. Piermont has a few acres on both sides of the long unused section of Cutting Hill Road which runs for about 1,000 feet through the remote, extreme north-central tip of town.

The location is fine for vacation homes but impracticable for year-round residence because that section of the road cannot be reached from either end without following a long route through Pike or Haverhill. Accordingly, it is proposed to permit only seasonal occupancy in the small territory involved.

The second amendment clarifies the minimum dimensional requirements of the ordinance. No mention of a rear or floodplain set-back was made originally. These are now spelled out to read: "All parts of a building or mobilehome must be set back at least 20' from the rear boundaries of any lot" and "All parts of a building or mobilehome must be set back at least 75' from the floodplain boundary as delineated by the Soil Conservation Service, U.S. Department of Agriculture."

Further, a new paragraph replaces the old one concerning the requirements when an off-site sewage disposal system is available. The new one reads: "The building lot size of one acre may be reduced upon approval by the Water Supply and Pollution Control Commission, when an off-site sewage disposal system is available but all other minimum dimensional requirements shall continue to apply."

The third amendment attempts to retain the distinctly rural atmosphere found in the approaches to town which now present a pleasant landscape of farmlands, woodlots, and structures appropriate to the countryside.

This is done by extending the Village District outward in the form of a Greek Cross: measured from the traffic light at the

junction of Rts. 10, 25, and 25C — south on Route 10 a mile and a half to the Orford line; north the same distance to the town-maintained dirt road leading off to the northwest at a right angle from Route 10. West from the traffic light about two miles on Route 25 to the Connecticut River and east the same distance on Route 25C to the Barton Road leading off to the east at a right angle from Route 25C.

Passage of this amendment will protect Piermont from the jumble of indiscriminate structures as may be seen on the outskirts of numerous other towns in the region.

As required by law, the amendments were the subject of two public hearings held after due notification on January 17th and February 14th, respectively.

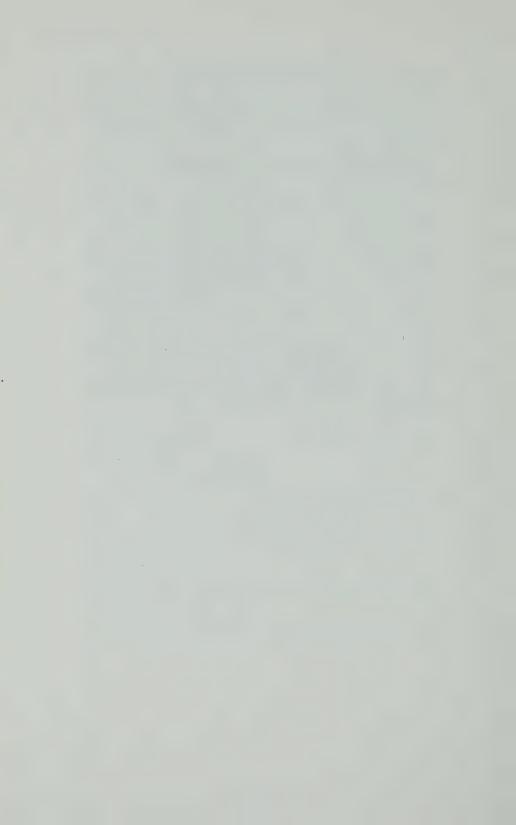

Copies of the complete amendments will be available on the main floor of Town Hall during voting hours. A member of the planning board will be on hand for explanation, if necessary.

The present membership of the seven man Planning Board is: Messrs. James E. French, H. Russell Gould, Freeman Robie, Alfred Stevens, Lewis Veghte, Jr., Robert L. Lutz (Secretary), and James T. Brewer (ex-officio).

The policy of the Planning Board is to continue in its effort to promote the general welfare of the community with a view to future needs as well as the present condition of the Town.

To this end, since its inception, the Board has held 53 formal meetings, as of December 1972, with minutes in each case delivered to the Town Clerk for permanent retention.

SCHOOL WARRANT THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Piermont qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in Piermont, New Hampshire on the 13th day of March, 1973, polls to be open for the election of District Officers at 2:00 o'clock in the afternoon and to close not earlier that 7:00 o'clock in the afternoon, with action on the remaining articles in this warrant to be taken commencing at 8:00 o'clock in the afternoon.

ARTICLE 1. To choose, by non-partisan ballot, a Moderator for the ensuing year.

ARTICLE 2. To choose, by non-partisan ballot, a School District Clerk for the ensuing year.

ARTICLE 3. To choose, by non-partisan ballot, a Treasurer for the ensuing year.

ARTICLE 4. To choose, by non-partisan ballot, two Auditors for the ensuing year.

ARTICLE 5. To choose, by non-partisan ballot, one School Board Member for a term of three years.

ARTICLE 6. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

ARTICLE 7. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States Government.

ARTICLE 8. To see if the voters will vote to raise and appropriate the sum of \$1,650.00 for the support of a public kindergarten in the Piermont School District. This amount does not include transportation but is for the sole support of a teacher's salary, retirement and F.I.C.A. Transportation will be the responsibility of the sending parent.

ARTICLE 9. To see if the district will vote to authorize the application of any unanticipated income to expenses.

ARTICLE 10. To transact any other business that may legally before said meeting.

Given under our hands this 12th day of February, 1973.

Mrs. Abby Metcalf William Daley Dean Osgood SCHOOL BOARD OF PIERMONT

A true copy of Warrant - Attest:

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my eighth annual school district report to the voters of the Piermont School District.

Your school board is recommending a budget of \$122,406.41 for the 1973-74 school year. This amount is an increase of \$20,498.05 over the total raised for 1972-73. Areas responsible for the increases are:

- * Shared Services \$6037.63. Your school board has joined with other small districts in the employment of four part-time teachers.
- * Tuition for high school students has increased \$8200.00 because of higher tuition costs and more students attending high school.
- * Tuition for special education students at Newbury, Vermont has increased and also transportation has had to be provided.
- * Transportation has been budgeted at \$8200.00, an increase of \$4114.00 over last year's request.

The question of providing an educational opportunity for every youngster, regardless of his or her intellectual capabilities, has caused many voters to wonder just how far the public must go in the support of educational programs.

An easy answer would be that the end is not in sight since our courts have ruled that each child is entitled to his constitutional rights and therefore should have the same opportunities as his peers. So, therefore, we must provide an opportunity for educational benefit whether it be at the Piermont Village School or at some other educational institution.

Last year the state average per pupil cost for elementary students was \$703.00, while our per pupil cost locally was \$788.50. This would indicate that Piermont is not out-of-line with reference to per pupil elementary costs.

This current year's school budget may show a deficit on June 30, 1973 because of added high school tuition students and special education. Approjected breakdown follows:

Special Education 1972-73	
3 students @ \$665.00 for tuition	\$1,995.00
3 students' transportation	1,330.00
Total	3,325.00
Budgeted	2,100.00
Deficit	1.225.00

High School Tuition	
Oxbow: budgeted 24 @ \$1300.00	\$31,200.00
attending, 27 @ \$1,285.00	33,695.00
Deficit	2,495.00
Haverhill Cooperative	
Budgeted, 8 @ \$950.00	\$ 7,600.00
Attending, 7 @ \$950.00	6,650.00
	\$ 950.00

Total deficit for tuition - \$2,770.00

May I take this opportunity to thank the Piermont School Board, the staff and the voters of the Piermont School District for their wonderful support.

Respectfully submitted,

NORMAN H. MULLEN Superintendent of Schools

SUPERVISORY UNION #23

REPORT OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during 1972-1973, will receive a salary of \$18,775.00, which is made up as follows: \$2,500.00 to be paid by the State Department of Education and \$16,275.00 prorated among the several school districts. Allowance of \$1500.00 for travel within the Union is also prorated as stated above.

The table below shows the proration of salary and travel to each school district:

District	Salary	Travel
Bath	\$ 704.71	\$ 64.95
Benton	130.20	12.00

NORMAN H. MULLEN Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my third annual report to the voters of the Piermont School District.

One year ago the Piermont Village School benefited from the addition of special teachers in the areas of Physical Education, Art, Guidance and Library Services. These services were funded by federal monies, In June of 1972 the funds for all but one of these positions was eliminated. The funds for the remaining position will be eliminated by June of 1973, if not sooner. In order to replace these services and to comply with State Minimum Standards, a shared services plan will be initiated in the Fall of 1973. The purpose of this plan is to provide required educational services for smaller school districts in a way that is both practical and economical. The areas of shared services will be Music, Art, Physical Education and Guidance. The teachers will work on an itinerant basis. Each district will be pro-rated depending on the number of services purchased.

Present plans call for Music, Art, Physical Education and Guidance commencing in the Fall of 1973.

Special help for children with speech and hearing problems continues to produce good results. Mr. John Ferente, our new speech therapist, visits the school every other week giving individual help to the children who participate. The cost of this service is provided by the school district through North Country Education Services.

Our remedial reading program, under the direction of Mrs. Hope Kjellerup, is in its third year of operation. Sessions are held two days a week. The children come to the remedial room in small groups so that they may have as much individual attention as possible. We feel that this activity has been extremely helpful to children with reading or learning disabilities,

In September, 1972, Mrs. Stella Jesseman took over the operation of the School Lunch Program from the very capable hands of Mrs. Day who ran the program so well for so many years. Mrs. Jesseman and her assistant Mrs. Robertson have done a fine job.

I would like to take this opportunity to thank everyone connected with the Piermont School District for their support and cooperation.

Respectfully submitted,

HAROLD J. HASKINS Assistant Superintendent of Schools RE: Immunization Requirements for School Entrants

FROM: Newell J. Paire

Commissioner of Education

I am taking this opportunity to forward to you the information recently received by the Department of Education which relates to *Immunization Requirements* for school entrants. The purpose of this directive is to make clear to you which immunizations are now required, RSA 200:38 "Control and Prevention of Communicable Diseases" was passed during the last legislative session, July 1971.

200:38 - I states "All children shall be immunized prior to school entrance according to the current recommendations of the

State Public Health Agency."

The recommendations of the Division of Public Health become requirements of the State Board and local school boards by this statute.

The immunizations listed below must be completed prior to school entry:

- Measles Vaccine (live-attenuated)
 (Having had measles is acceptable, when verified)
- 2. Oral Trivalent Polio Vaccine (Sabin)
- 3. Diphtheria, Pertussis, and Tetanus (DPT) (Adult type DT when over 6 years of age)
- 4. Rubella Vaccine

Routine smallpox vaccination is not recommended.

Other vaccinations are optional.

200:38 — III states "All children shall be examined prior to school entrance to detect symptoms of tuberculosis and may be periodically examined during his school experience."

Tuberculin Test (intradermal) (Within one year prior to school entrance)

It is urgent that parents be informed of this requirement at the earliest possible date, so that the necessary plans can be made with the family physician or other medical resource to accomplish this standard prior to opening of the next school year.

A recommended schedule for initial immunizations and boosters will be made available to all health care providers at an early date by the Division of Public Health.

REPORT OF SCHOOL NURSE

PIERMONT 1971-1972

Number of Pupils Examined		69
Number of School Visits		21
Number of Home Visits		33
Number Successfully Vaccinated		9
